Welcome

Welcome to Accountants Inc. - a premier accounting and finance staffing company that partners with people to provide strategic staffing solutions and career enhancing opportunities from the senior management to support level. As part of the [Vedior Group of Companies](#), we are a member of the third largest staffing organization in the world. Together with our sister company, [Acsys, Inc.](#), we form a nationwide network and are among the top providers of accounting and finance staffing in the United States. We invite you to explore our site to learn more about us.
